WORK EXPERIENCE

March 2015 – Present

Organisation: Global Translation Services

Position: Interpreter

Address: 470 Witton Road, Birmingham, West Midlands B6 6SN

Tasks: Interpreting for Global Translation Services from Romanian to English and vice-versa. It's a job that usually takes place in NHS hospitals and clinics.

October 2015 – Present

Organisation: University of Birmingham

Position: Catering Staff

Address: Edgbaston, Birmingham, West Midlands, B15 2TT

Tasks: During my time working with the UoB catering team I have worked in various places and completed tasks as bar staff in Costa and Starbucks, kitchen portering, served customers in food courts and made pizza for Pizza Shack for over one month.

EDUCATION

School: University of Birmingham

Qualification: BSc Computer Science with Business Management

City: Birmingham, United Kingdom

Summary: Learning new programming languages (Java, OCaml, HTML) and developing Software building skills as a continuation from High School where I started with C++.

School: Petru Rares National College

Qualification: Graduated with 9.8/10 on Romanian Baccalaureate

City: Piatra Neamt, Romania

Summary: Studied in a Maths&Computer Science profile. Over the four years I developed proficiency in Maths and learned C++ and PHP in the Computer Science classes.

Mother Tongue: Romanian

English: 7/9 overall in IELTS Test, Studied in School and High School for 9 years

French: Studied in School High School for 7 years

SKILLS

Communication Skills: good communication skills gained from volunteering and working with Filmul de Piatra and Tare ca Piatra. Very friendly and polite when talking to people.

Organisational/Managerial Skills: great leadership skills developed while being high school basketball team captain, leading a Filmul de Piatra team and through my Business Modules in Uni.

Personal Skills:

- driven, ambitious, energetic, open-minded, focused, passionate, dedicated, organized, people-oriented;
- best skills I gained over time and most visible are the leadership and team work while dealing with a great diversity of people of different ages, cultures and social environments.

Volunteering Work: Bits&Bats and Tare ca Piatra

Planning and organising different events and actions, such as small concerts and get-togethers, outdoor activities, building live performance scenes, photography and being part of the bar staff.

Tasuleasa Social

In 2013 I was selected from Filmul de Piatra staff to participate on a training at the Tasuleasa Social, the biggest Volunteering Society in Romania. There I have learned how to deal with environmental and ecological problems and how to work efficiently in a team, as long as we were over 100 volunteers coming from across the country.
